

Look Natural - Wear Makeup!

Have you ever considered how difficult it is to look natural? Quite difficult – isn't it? Especially if there had been no makeup available to achieve it! Many-a-website points out how ordinary our glamorous celebrities look in real life without makeup on. No wonder then that they are always on the lookout for innovative makeup supplies. Such demands have seen a virtual makeover for the makeup business much to the delight of a demanding population yearning to look good. The art and science of good makeup. Makeup is still an art – supported ably, of course, by science. Gone are the days when good makeup meant just soaps, perfumes and oils carefully selected after word-of-mouth recommendation. Today, your persona comes through in MAC makeup – or was it Max Factor? Take your pick! Show off your gorgeous eyes - wear eye makeup. Impress your peers with a prom makeup worn specially for "the nite". Make a statement with a tattoo or a strategic permanent makeup. Take expert advice – makeup tips are available for the asking. Desist from using chemicals which may harm your sensitive skin – wear mineral makeup instead! Consider this – you don't have to wear stage makeup if you don't need to flaunt your expressions under the arc lights to an audience. Wear makeup – an appropriate one. Or better still; don't wear any – especially if you are among the lucky few who can carry off that natural look – naturally!
