

Movie Review: Mr. Brooks

All human beings...are commingled out of good and evil."- Robert Louis Stevenson, Dr. Jekyll and Mr. Hyde Consider MR. BROOKS. A successful businessman. A generous philanthropist. A loving father and devoted husband. Seemingly, he's perfect. But Mr. Brooks has a secret -- he is an insatiable serial killer, so lethally clever that no one has ever suspected him -- until now. Academy Award winner Kevin Costner stars as Earl Brooks, a man ...

Have not seen it yet but it sounds especially derivative of the 'Dexter' series of books (and now Showtime series) by Jeff Lindsey. In that book was the first mention of the concept of the imaginary 'dark passenger.' Regardless, there's always room for a good thriller and if people find this movie interesting they should consider checking out the books and Showtime series too.

About the Author

From movies.monstersandcritics.com:

Light boxes are the best known bright light therapy product but, as an alternative, light visors are a convenient way of getting light therapy.

Read about the latest medical technology, pharmaceuticals and biotech trends including diets, drugs, genetics, stem cells, medicine, health.

Light therapy as an alternative to medication during pregnancy. Background information, including projects ongoing or planned at Yale, Columbia, Pittsburgh.

Brief periods of daily exposure to bright light are an effective treatment option.

Color therapy discussion. Amira Sravesh provides color and light therapy in Alachua Florida or via correspondence.

Low intensity light therapy for the treatment of seasonal affective disorder or winter depression. Educational information.

Information on light therapy and how it works, as studied by Japanese.

Treatment with light therapy may offer a chance to regain the happier mood and brighter outlook that you lose to seasonal.
