Amy Winehouse Working for BetOnline?

She claims to be Jodi Klein but is something else happening here that we don't know about?

Sparky Collins, Gambling911.com's leading Cuban-born transgender reporter, claims that BetOnline.com hottie Jodi Klein is none other than English soul jazz and R B singer and song writer, Amy Winehouse, or some very close relative.

Collins, who shared an intimate moment with the vivacious Klein while in the Bahamas last month, felt he was in the presence of some celebrity gem.

Here is a girl, fun, good humor, nice on the eyes, intelligent, she is Yewish.

But could she sing?

Ah that I can't tell you brotha! Sparky said with a sly grin. But there were loads of live passion talk. I felt retried in my pink negligent. She tells me 'Just the tip'. This did not seem Kosher but...

The resemblance to Amy Winehouse, however, is uncanny.

Winehouse was born in Southgate, London to a Jewish family with a history of jazz musicians. Her song Rehab continues to climb the Billboard Hot 100, this month entering the top 10.

Winehouse has a number of old school tattoos of naked women on her body. When asked about them, she was quoted as saying I like pin-up girls. I'm more of a boy than a girl. I'm not a lesbian, though not before a sambuca anyway.

Sparky said Hmmm regarding Jodi Klein.

I give her a shot of Sambuca.
