A few days ago, told reporters in Beijing reflect a consumer, a nominal Jeju from Tianjin in God Biological Engineering Company Limited-production called God-human biological modifier (hereinafter referred to God-), more than 400 products are Beijing Pharmacies sell the product in their advertising said to combat heart disease, high blood pressure, cerebral thrombosis, such as more than 20 kinds of diseases, clinical efficiency of over 98%. The consumers expressed doubts. After receiving a reflection of consumers, the reporters after an in-depth investigation found that the non-drug products to carry out propaganda posing as drug sales, its ratification of the text is actually a certificate of health identification. Beijing Commerce and Industry Bureau said that advertising for the product to deceive and mislead consumers, will be investigated and punished them.n

Heart disease, hypertension, cerebral thrombosis, cerebral oxygen insufficiency and stroke precursor very prominent effective control , cerebral thrombosis and cerebral embolism patients three times a day if adhere to long-term use of God-not only effective in preventing symptoms and The emergence of the crisis situation, but also to gradually thrombolytic treatment effect. of which there is still a lot of God-length on the respiratory system rhinitis, laryngitis, bronchitis, asthma and emphysema, neurasthenia nervous system, insomnia, Meniere s syndrome, fatigue syndrome, mental depression have a very prominent disease control effectiveness.

In addition, in the above-God publicity materials said it is also common diseases of life very unique magical effects and could treat aphthous ulcers, the next could treat hemorrhoids, dermatitis, can rule, which could treat abdominal pain. large cerebral thrombosis, glaucoma, small bites to Dai Hui, a Helu, almost omnipotent defense, omnipotent rule, replaced by an almost General Hospital s clinical departments.

Approval of the so-called identification certificate for health, the Pharmaceutical Administration Law, provides that produce drugs subject to the supervision and management of national drug approval and the approval of drugs to be produced without approval of the production of counterfeit medicines to penalize. State Food and Drug Administration in 2001 approved the text of the drug test and production of drugs approved text of the expression of the format, a common format for the quasi-Sinopharm (test) +1 word of Chinese pinyin letters +8 in Arabic numerals.n

God-human biological rhythm regulator and the Tianjin Economy God-biological engineering Limited enquiries, the results are zero.

Well, (2003)---X013 health of the word is what kind of a symbol? The reporter has learned that the text of the Disease Prevention Center in Tianjin issued a health certificate of identification.

Tianjin Disease Prevention Branch of the Center for Environmental Health in a telephone interview with this reporter, said that the health product identification, a certificate is not approved, production, health certificate identified only responsible for the safety and health products, and products

whether the production and operation unrelated. And the Centre is not the quality of units authorized by the law, health appraisal certificate is not a legal sense, the document has no legal effect. The official also explained to reporters, usually in some enterprises, their products will be sent to the Centre for examination, they will be adopted by professional laboratories toxicological and biochemical tests, and other projects, to verify whether the product toxic to humans , harmful and stimulating, if not, the centre will be to identify their health certificates to show that the product no toxic side effects.

God is a false-advertising publicity on October 28, reporters in Beijing s new large pharmacies West Hill Road shop that the shop had sold God-price 68.6 yuan a bottle, 1 ml bottle. Ning reporter asked God is health care products or drugs, the shop saleswoman response drug. October 29, the reporters in Beijing Xishi in the streets of the big pharmacies Shuanghekangyou see, God-bid for 66 yuan a bottle, when reporters wanted to see the drug, the saleswoman said, God Zhugang sells End, now out of stock. For God-drug or health care products, the shop salesman replied that of course, drugs, or else how can we here in the sale.

Reporter survey found that many of Beijing pharmacies in the sales-god. According to the sources, God-sales network throughout the capital, has sales of more than 400 pharmacies. At the same time, God-in the North TaipingZhuang, Yongding Road, Tongzhou and other areas set up shop in some pharmacies, clinics and even in some food stores set up sales counters.

State Administration for Industry and Commerce Secretary advertising advertising Authority Deputy Director Zhao Jian read God-reported and the God-Health Handbook, said the promotional materials are print ads, are typical of the illegal advertisements. The non-pharmaceutical companies to drugs when publicity, containing unscientific assertions that the effectiveness or guarantees and the cure rate, efficient, and patients in the name of promotional products, is suspected to cheat and mislead consumers, are advertising false propaganda expressly prohibited acts. October 31, the Beijing Municipal Trade and Industry Bureau Director Ou Shu-fang advertising, God-advertising is a typical false propaganda, and immediately relevant branches of law enforcement officers deployed for severely punished.
