

Prostate gala nets \$400K

Prostate gala nets \$400K

By SUN STAFF

The 10th Annual Bill Brooks Prostate Cancer Benefit, held last night at the Hyatt Regency, smashed all previous fundraising efforts, netting more than \$400,000.

More than 800 people gathered for the festive fete, which featured myriad silent auction items, dancing to the Mocking Shadows, samplings from the Hyatt's team of chefs, wine and martini stations and a high-end scotch bar -- just for the guys.

"I can't believe it's been 10 years," said an elated and exhausted Brooks, a Calgary Sun columnist.

"That we have been able to raise more than \$2.7 million for prostate cancer research, education and treatment is truly humbling and very gratifying.

"My volunteer committee, corporate Calgary and all those who have attended over the years are the real heroes.

Prostate cancer affects one-in-six men. And that we have been able to make a difference is what philanthropy is all about."

Funds from the 10th annual benefit will be directed to the soon-to-be-built Southern Alberta Urology Centre at the Rockyview Hospital.

The \$25 million, state-of-the-art facility will be the only one of its kind in the country.
