

The MedTrava Group Brings Low-Cost International Healthcare to Hawaii

Guinevere Allen, Marketing Manager of the Hawaiian office. Facelifts in India can cost as little as \$5,000 compared to an average quote of \$16,000 dollars in the U.S. A recent increase in short-haul flights to Asia also makes the trip to India for medical treatment an easy option for residents of Hawaii.

Along with the surgical treatments, MedTrava offers a full range of alternative medicine, including the ancient science of

The all-natural, non-invasive holistic medicine developed in India 5000 years ago uses massage therapy, yoga and herbal treatments to effectively treat modern day maladies such as arthritis, obesity, aging, stress, migraines and for the overall detoxification and rejuvenation of the body. Hawaii is also home to more than 33 yoga-training institutes and residents recognize the beneficial and healing powers of yoga.

Said Dhawan,

MedTrava has pre-negotiated rates with each of its healthcare provider partners, and has assembled procedure packages that assure its clients substantial savings. MedTrava is fully transparent in its pricing to ensure clients receive the lowest price possible in a single, itemized bill that is often 50% - 80% less than they would pay in the U.S.
