

Boots.com wins yet more exclusive beauty launches

Everlong Mascara. Both will launch in the UK in May and will initially only be available at boots.com.

The new Olay Regenerist Daily 3 Point Treatment Cream aims to give women dramatically younger looking skin, especially around the three key zones of eyes, jawline and neck. This is currently the number one Olay facial moisturiser in the United States, with Olay crediting the success of this cream to its formula, which has its most concentrated-ever amino-peptide formula. In customer research in the United States it has even outperformed famous iconic creams.

With summer approaching, the age-old question comes about for women everywhere - "How can you emphasise your eyes so they still look great on the beach without running the risk of getting

Protect Perfect last year, so much so that we had to set up a waiting list so that women would be the first to know as soon as it was launched. YSL is obviously a highly desirable cosmetic brand with many loyal fans around the UK, and the formulation for Everlong Mascara means it will be the perfect summer beauty accessory. To gain these two high profile exclusive launches demonstrates that boots.com really is a leading beauty retailer, amongst both online stores and on the high street.

UK, either on the high street or online.
